The cost *will depend* on how many people sign up, what types of cabins we will need (i.e. cabins that sleep 2, 3, or 4, people) and the confirmation of airfare.

Cost: \$1800. - \$2100. per person. Cost will include roundtrip airfare to/from Ft. Lauderdale, travel insurance, one night stay in a hotel in Ft. Lauderdale, transportation from airport to hotel and ship, all accommodations, meals, and activities on the ship, off shore excursions, taxes/tips and passport, and 3 support staff to accompany you.

- Shopping money extra.

If you already have a passport than you will not need to spend the money factored in to get a passport. Therefore, your cost would be less than \$2100. We cannot confirm a good airfare until mid-July. We have factored in a higher airfare to be on the safe side. However, if we get a really good rate this will give us a lower total price.
