LIVE AUCTION

You've heard of extreme makeovers, but what about extreme **table takeovers**? Our party gurus have transformed plain dining tables into fabulous and festive designs that will impress your dinner guests. These tables represent everything from traditional holidays to some unexpected occasions, all featuring rare collectibles and tableware that will become family keepsakes for generations to come.

Auctioneer, John Pereira, will lead a live auction where guests can bid on these one-of-a-kind tables, including a political table called "Bi-partysan" and a Winter Festival of Lights table that'll light up your holiday season.

CORNUCOPIA FOR A CAUSE

Cornucopia is our agency fundraiser for the year, where we ask friends to join us in supporting and celebrating Futures Explored, Inc. The mission of Futures is to provide life skills and work-related training to adults with developmental disabilities. The funds we raise will support programs that enable our folks to become more independent and actively involved in their communities.
